Experienced in Epic workflows with a growing focus on training, consistency, and team support. Bilingual in English and Spanish.

EDUCATION

John Jay College of Criminal Justice

July 2025

Bachelor of Science

WORK EXPERIENCE

Mt. Sinai, Patient Encounter Associate

December 2022 - Present

- Supported high volume clinic operations by managing patient registration, insurance verification, and appointment scheduling, maintaining accuracy and compliance standards.
- Served as a point of support for complex insurance and scheduling issues based upon team needs.
- Ensured accurate documentation, order linkage, and patient access workflows.
- Collaborated with providers, billing, and support staff to maintain continuity of care and minimize patient delays.
- Maintained calm, professional communication with patients and staff during high pressure situations, contributing to positive patient experiences and recognized as a gold star member.

Turner Construction, Hoist Operator

October 2021 - December 2022

- Supported large scale construction site operations by managing personnel transportation and enforcing safety protocols.
- De-escalated conflicts involving workers and contractors, ensuring issues were resolved without disrupting workflow.
- Served as a communication bridge between site teams, security units, and operations staff to maintain consistency and efficiency.
- Assisted in onboarding new personnel on site procedures, expectations, and safety standards.

NY First Service Residential, Front Desk

November 2020 - October 2021

- Built strong rapport with residents and staff, fostering trust and consistent service delivery.
- Monitored building access and identified safety concerns, escalating issues appropriately.
- Applied de-escalation techniques to resolve tense interactions between residents, visitors, and staff.
